INCOME TAX FIGHT

CHARGED THAT LOBBYISTS ARE PAID BY MILLIONAIRES TO DEFEAT AMENDMENT IN GEORGIA.

Atlanta, Ga., Aug. 5.—The proposed income tax amendment to the United States Constitution recently passed by Congress and transmitted to the States for ratification will be considered by the Georgia Senate today and the indications are that a bitter debate will result. There is said to be strong opposition to the amendment and it is alleged its defeat is not impossible.

When the income tax amendment was transmitted to the Senate it was pigeonholed by the Senate Judiciary Committee. It was suggested that Georgia might decide to impose an income tax for State purposes. Friends of the amendment, realizing that it meant its death, succeeded in taking it from committee and making it a special order for today. During the debate Senator Perry charged that a lobby is at work to defeat the income tax amendment. Perry alleges that these lobbyists are being paid by multi-millionaires of the country who are resolved to defeat the amendment. The appearance of the amendment is considered remarkable in view of numerous declarations in State Democratic platforms declaring for an income tax.

Pennsylvania Democrats Favor an Income Tax

Harrisburg, Penn., Aug. 5.—In the Democratic State Convention held here yesterday, a harmony unusual in Democratic gatherings prevailed. The following ticket to be voted for in November was nominated: Associate Justice of the Supreme Court—C. Larue Munson of Williamsport. State Treasurer—Congressman Geo. W. Kipp of Towanda. Auditor General—J. Wood Clark of Indiana.

The convention was called to order by State Senator Dewalt, Chairman of the State Committee, and Congressman A. Mitchell Palmer of Stroudsburg was unanimously selected as Chairman.

The platform adopted condemned "as an imposition upon the taxpayer and wage earner the pending tariff law passed by the House of Representatives, and declared that its provisions were a direct violation of the promises of the Republican Party and its platform and framed for the benefit of special interest and against those who purchase the necessities of life."

It declared also for the establishment of a permanent and expert Tariff Commission, whose duty of office shall be so fixed as to not be subject to political influence or whim, and whose duties shall be to advise Congress in regard to changes in existing tariff laws in order that the tariff system may be kept equalized and necessary and direct taxes may be levied from time to time, as existing conditions demand without subjecting the entire system to reconstruction, which always brings business depression and financial disaster.

Another plank declared: "We favor an income tax as part of our revenue system, and declare for the proposed Constitutional amendment specifically authorizing Congress to levy and to collect such a tax upon individual and corporate incomes."

For Loss of Husband.
In spite of the fact that Coroner Higgins of Winsted rendered a verdict in the case of Andrew Coltes, last June that death was due to natural causes, the Hungarian societies of Torrington have taken up the matter and are said to be bringing Mrs. Coltes into a damage suit against Mrs. Karl Moczowski for \$5,000 for the loss of her husband. The theory of the complaint is that Mrs. Moczowski invited Coltes to her home where she was to permanently cure his rheumatism, and that he died the next day as a result of the medicine administered by her. Mrs. Moczowski will, it is understood, deny that she gave him any medicine.

Public Playground.
The public playground, believed to be the first in Litchfield county, was opened Tuesday on the Migeon property on the West Torrington road. Mrs. May E. Blake, graduate kindergarten, has been appointed supervisor with Miss Margaret Muller, a graduate of the New Britain kindergarten training school, as assistant. The swings and the sand piles were the principal attractions on the opening day. The experiment is made under the auspices of the Woman's College club of Litchfield county.

CONGRESSMAN IN ROW

HEFFIN OF ALABAMA CHOKES AUTOIST WHO CAME NEAR RUNNING HIM DOWN.

Washington, Aug. 5.—Representative Heffin of Alabama, who became involved in a shooting affray with a negro a year ago, was one of the principals in a rough and tumble fight that took place in front of the Riggs House last night.

Mr. Heffin walked down from the Capitol with Representative Oll M. James of Kentucky. As the two turned into Pennsylvania avenue, near the Treasury Building, an automobile swung around the corner at high speed and almost knocked the two Congressmen down. Representative James who was incensed at the speed at which the automobile was operated took down the number of the car with the intention of reporting it at police headquarters.

The driver of the automobile, who was said to be a well known man about town, but whose identity has not been definitely established, whirled his car around and followed Heffin and James and demanded to know why they proposed to do. Mr. James said he would endeavor to have him arrested.

Whereupon all three of them became involved in an exchange of uncomplimentary remarks in the course of which Heffin used a vulgar colloquial expression which enraged the driver of the automobile to such an extent that he jumped from his car and demanded that Heffin retract.

Heffin repeated the epithet and at the same time sprang for the automobile driver's throat. He was doing an effective job at choking his adversary when Representative James and Clayton of Alabama separated the men. The fight was not reported to the police, all of those concerned in it apparently being satisfied to let it drop without inviting publicity.

SENATORS BY THE PEOPLE

ALABAMA LEGISLATURE ALMOST UNANIMOUS FOR CHANGE IN ELECTION PLAN.

Montgomery, Ala., Aug. 5.—The combined houses of the Legislature of this State, in two separate sessions, have unanimously petitioned Congress to submit a Constitutional amendment for the election of United States Senators by the people. In the House of Representatives, C. Jenkins of Baldwin County opposed the measure because of doubt of its wisdom; in the Senate Henry S. Reese of Selma opposed it because of "too quick action."

Senator H. P. Merritt of Tuskegee denounced the present system as undemocratic and autocratic.

Alabama's vote favoring the ratification of an amendment to the United States Constitution whereby such a change can be brought about makes the twenty-eighth vote to be recorded.

GOVERNOR'S POCKET WAS PICKED

Omaha, Aug. 5.—Coming across Iowa yesterday, Gen. Shallenberger stopped at Marshalltown. While sauntering around the waiting room there he got into a crowd and was jostled for an instant.
He thought nothing of the matter at the time, but shortly after getting on the train, pursuing his journey westward, he discovered that his pocketbook containing \$130 was gone. Arriving in Omaha he had to borrow money to buy a ticket to Lincoln.
